

The 2022 Dorothy Russell Havemeyer Foundation Equine Asthma workshop – Online

You are invited to participate in the 2022 online Dorothy Russell Havemeyer Foundation Equine Asthma Workshop on March 29 & 31 and April 5. Teams of clinicians and scientists from the Equine Asthma Group conducted systematic reviews of the literature regarding 6 research questions related to asthma in horses. This online conference will allow each team to present their preliminary findings for feedback in order to prepare for the final presentation during the 2023 Dorothy Russell Havemeyer Foundation Equine Asthma Standardization Workshop in Barcelona, Spain.

Goals:

- Present summary of findings from each team (15-20 min presentation)
- Discuss findings and conclusions (40-45 min Q&A)
- Define tasks for in-person workshop presentations in 2023

The Equine Asthma Group is extremely grateful to its platinum-level sponsor Boehringer Ingelheim and partner in fostering scientific discovery to improve equine health.

We also thank the Equine Asthma Group Silver and Bronze level sponsors:
