

Calgary International Equine Symposium

Innovation in Equine Health & Welfare

September 5 & 6, 2024

*Want to be a sponsor for the premier event of the season?
We'll look no further ...*

The University of Calgary Faculty of Veterinary Medicine (UCVM) is once again hosting the Calgary International Equine Symposium Sep 5-6, 2024 at our Spy Hill campus. This growing internationally acclaimed symposium is a global celebration of equine health with this year including a wide array of topics related to innovation in equine health and welfare. **Platform presenters will compete for a \$10,000 award** with two additional awards of \$1,000 presented to the best graduate student poster presentations. The symposium concludes with a VIP event at Spruce Meadows during the famous Masters' event.
