LUCKY

(Our “Little Chubster”)

Forever in Our Hearts — 14 Beautiful Years

Lucky was a beautiful, gentle soul who filled our lives with pure joy and never gave us a single day of trouble. He was a boy who truly knew the meaning of comfort. He loved his daily routines and his precious collection of stuffies, which he loved far more than playing ball. He would happily cuddle his toys for hours but stubbornly refused to bring the ball back. Run free, Little Chubster. You are finally free from pain, and you are still with us in every quiet moment and every gentle memory. You are loved forever and missed always.

- Your people: Gayle, Marty, Connor, and Kaitlyn.
