

WA Ranches Injury Procedure

If anyone (Faculty, student, staff, or public) is injured at the ranch and requires medical attention, follow these procedures:

1. Give first aid – Find a first aider to assess the injury and determine if additional medical attention is required. There is a first aid kit in the ranch house kitchen area and the machine shed.
2. **Call 9-1-1** immediately if the injury is life threatening, or if a hospital is needed
 - a. Know the location of the patient – GPS coordinates are ideal.
WA Ranches Location , AB (51.3423941,-114.3776040) or 274237 Range Road 34, Rockyview County
 - b. Notify the Ranch Manager, Jonny Bennett immediately after 911 is called (403 542-4469). If Jonny is not available please follow the following contact chain listed below.
Barney Press: 403 573-3324
Heidi Bennett: 403 702-4469
 - c. Ask someone to watch for the ambulance and wave them down to location.
 - d. Ask 911 response team what hospital they are taking the patient
 - e. Do not send injured person alone to hospital, send someone for support and for updates on injury status (drive to hospital if no room in Ambulance)
 - f. Notify the Manager of the employee to ensure emergency contact is notified
 - g. Call Security at 403-220-5333 to report the injury.
 - h. Submit an OARS report for the Injury
3. If non-emergency medical attention is required, use the closest clinic
